Clarification of News Report

We refer to the article entitled "Converge ICT eyeing up to 5M subscribers by 2025" posted in GMA News Online on December 16, 2020, which reported in part that:

"Fiber internet service provider Converge ICT Solutions is looking to further expand its subscriber base in the next five years, after it achieved a million subscribers.

'The target for 2025. We are looking at between four to five million [subscribers],' Converge ICT chief operating officer Jesus Romero told GMA News Online in a virtual interview. To achieve the goal, Romero said the company will be 'expanding to Visayas and Mindanao next year as we finish our own backbone.'

...."

In response to the request of the Exchange for clarification and/or confirmation of the above-quoted article, Converge ICT Solutions, Inc. confirms that the above-quoted report substantially reflects the statements made by its Chief Operating Officer, Mr. Jesus Romero, during a virtual interview with GMA News Online on December 16, 2020. The statements are consistent and in line with previous disclosures of the Company (including disclosures in the Prospectus dated 8 October 2020) to the Exchange.

Please note that forward-looking statements included is not a guarantee of future performance and involve a number of known and unknown risks, uncertainties and other factors that could cause the actual performance, financial condition or results of operations of Converge ICT Solutions, Inc. to be materially different from any future performance, financial condition or operational results implied by such forward looking statements.

Should there be specific developments in connection with the Company's strategies, we shall make the necessary disclosures at the appropriate time.

We trust that the foregoing is sufficiently helpful to you. Please do not hesitate to contact us should you have any further questions.
