

## ***Converge launches all-in-one home entertainment service with the VISION***

**MANILA, Philippines, July 28, 2021** – As part of Converge ICT Solutions Inc.'s continuous effort to allow Filipinos to experience better, the fastest-growing internet service provider introduces a new add-on service called **VISION**.

The advertisement features a family of four sitting on a couch, viewed from behind, looking at a large screen. The screen displays the word "VISION" in large, colorful, block letters. Below it, the text reads "Your All-In-One Home Entertainment Package". The central theme is "EXPERIENCE THE DIFFERENCE". The background is a vibrant, multi-colored grid of dots. Various icons are scattered around: a play button, a globe, a game controller, and a Wi-Fi symbol. At the bottom, there is a yellow box with the text "ENJOY SOLIT HOME ENTERTAINMENT FOR ONLY P 299 /MO".

VISION  
Your All-In-One Home Entertainment Package

EXPERIENCE THE DIFFERENCE

Vision is an add-on home entertainment service for Converge Pure Fiber Plans. Enjoy all your favorite channels, access your Google apps and games, connect your other devices and more! This makes fun at home more sulit!

An add-on service of  
**CONVERGE** | **PACIFIC KABELNET**  
INCORPORATED

ENJOY SOLIT HOME ENTERTAINMENT FOR ONLY  
**P 299 /MO**

In partnership with Pacific Kabelnet Holding Co. Inc. (PKN), an affiliate cable company, this latest offering gives new and existing Converge subscribers access to local and international TV channels and binge-watch shows from exclusive channels like USA Today News, USA Today Sports, Pocketwatch, and Ryan & friends, using fiber technology.

For an affordable price of P99/month for 65 channels and P299/month for 82 channels, VISION comes with a set-to-box called **Xperience Box**, a full Android, all-in-one entertainment device,

that allows Converge subscribers to enjoy multi-genre TV programs and shows in the comfort of their homes.

Enabled via Wi-Fi and Bluetooth, the VISION Xperience Box does not require connectivity to any cable TV line and also allows easy connection to a mouse, gamepad, keypad, and other devices. This easy-to-set-up service comes with reliable security features and an enhanced artificial intelligence that provides a quick, one-click access to channels, Google apps, online games, and OTT apps like HBO Go, Amazon Prime, YouTube and Spotify.

“The VISION Xperience Box takes convenience up a notch through its voice-enabled remote for easy searches via Google Assistant and a digital interface that allows hassle-free connection to home theater systems or power amplifiers. Watching the most popular shows in the Philippines or abroad and accessing content through various apps have never been this effortless,” said **Converge COO, Jesus C. Romero.**

“Vision is just the first of many additional services we plan to bring to enhance Filipinos' digital experience as we build our digital highway. With our recent data capacity upgrade of our metro backbone, we have more than enough bandwidth to provide entertainment content on a streaming platform and other applications,” added **Converge Co-Founder and CEO, Dennis Anthony H. Uy.**

New Converge subscribers can apply through [www.gofiber.ph](http://www.gofiber.ph) with the same 24-month lock-in period as their internet service. On the other hand, existing FiberX and FiberX Time of Day plan subscribers in NCR only, may upgrade through <https://www.convergeict.com/vision/>. Customers have an option for an outright payment of P2,000 for the Xperience Box or installment of P150 per month for 24 months. Those who would avail of the staggered payment for the box will have to relock-in for 24 months, while those who wish to do an outright payment will require no relock-in.
